11 U.S.C. §§ 523(a)(2) and 523(a)(6) (the “Complaint”) against Defendant Robin Linus Lehner (“Debtor” or “Defendant”) as follows:

**I. JURISDICTION AND VENUE**

1. This is an adversary proceeding pursuant to 11 U.S.C. § 523(a) to determine the nondischargeability of a debt owed by Debtor to AGF. This adversary proceeding is commenced pursuant to Rules 7001(6) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

2. This Court has jurisdiction to hear this adversary proceeding as a core proceeding under 28 U.S.C. §§ 157(b)(2)(I)-(J) and 1334(a)-(b).

3. On or about December 30, 2022 (the “Petition Date”), Debtor filed for Chapter 7 bankruptcy in the United States Bankruptcy Court for the District of Nevada, initiating Case No. 22-14616-nmc (the “Bankruptcy Case”).

4. This judicial district is the proper venue for this adversary proceeding under 28 U.S.C. § 1409(a), as this adversary proceeding arises under, and is in connection with, the Bankruptcy Case, which is currently pending before this Court in this judicial district.

**II. THE PARTIES**

5. AGF is a creditor and party-in-interest in the above-captioned Bankruptcy Case and is a limited liability company organized under the laws of the State of Florida with its principal place of business located in the State of Florida.

6. Upon information and belief, Debtor is, and at all relevant times has been, an individual resident of the State of Nevada.

**III. BACKGROUND OF THE CASE**

**A. AGF’s loan to Defendant**

7. In or around November 2020, South River Capital, LLC (“South River”) made a loan in the amount of at least \$2,787,000 to Defendant (the “South River Loan”), which was secured by real property located at 9501 Balatta Canyon Ct., Las Vegas, Nevada 89144.

8. In or around May 2021, RMSPC Funding, LLC (“RMSPC”) made a loan in the amount of at least \$6,844,000 to Defendant (the “RMSPC Loan”), which was secured by certain

1 real property and substantially all personal property owned by Defendant (the “RMSPC  
2 Collateral”). Specifically, the RMSPC Loan was secured by, among other things, a lien on real  
3 property located at 9501 Balatta Canyon Ct., Las Vegas, Nevada 89144, real property located at  
4 42055 Dawn Road, Plato, Missouri 65552, all receivables in and to SolarCode Holdings, LLC,  
5 Defendant’s interest in and to RL Exotics, LLC, and Defendant’s National Hockey League player  
6 contract.

7 9. A UCC-1 was filed on behalf of RMSPC evidencing its security interest in the  
8 RMSPC Collateral with the office of the Secretary of State for the State of Nevada as evidenced  
9 by Filing No. 2021171669-6.

10 10. In 2022, Defendant approached AGF seeking a loan, in part, to pay off the existing  
11 South River Loan and RMSPC Loan.

12 11. As of November 16, 2022, Defendant owed approximately \$6,844,000 in  
13 connection with the RMSPC Loan and related loan documents and \$2,787,000 in connection with  
14 the South River Loan and related loan documents.

15 12. On November 16, 2022, AGF made a loan to Defendant in the amount of  
16 \$4,800,000 (the “AGF Loan”) as evidenced by a Promissory Note dated November 16, 2022 (the  
17 “AGF Note”).

18 13. On November 16, 2022 and in connection with and as security for the AGF Loan,  
19 Defendant executed a Loan and Security Agreement (the “Security Agreement”) whereby  
20 Defendant granted AGF a security interest in certain real property and substantially all existing  
21 and after-acquired personal property, including but not limited to, Defendant’s accounts, notes,  
22 documents, instruments, general intangibles, contracts, chattel paper, investment property, deposit  
23 accounts, and Defendant’s current and future earnings under his player contract with the National  
24 Hockey League.

25 14. Defendant used \$3,794,457 in proceeds of the AGF Loan to pay down the RMSPC  
26 Loan and \$650,000 in such proceeds to pay down the South River Loan. Defendant also used  
27 proceeds of the AGF Loan to pay various origination fees and underwriting fees incurred in  
28

1 connection with the origination of the AGF Loan. Additional proceeds in the amount of \$28,885  
2 were disbursed directly to Defendant.

3 **B. Defendant's Misrepresentations to AGF**

4 15. To induce AGF to make the AGF Loan, Defendant made several material  
5 representations to AGF, which have since been determined to be false and fraudulent.

6 16. In Section 20 of the AGF Note, Defendant represented to AGF as follows:

7 (i) There is no claim, action, lawsuit, proceeding, arbitration, complaint, charge or  
8 investigation pending, or to the Borrower's knowledge, currently threatened against  
9 or involving Borrower; (ii) Borrower has no obligations to make payments to any  
10 third party pursuant to any instrument, judgment, order, writ, decree, note, or  
11 indenture; and (iii) in the event Borrower does have other obligations to make  
12 payments to a third party pursuant to any written instrument, Borrower has fully  
13 informed Lender of same, in addition to any liens placed on Borrower's property  
14 pursuant to such obligations, via the "**Other Current Liabilities / Liens of  
15 Borrower**" document attached hereto as Exhibit C [to the AGF Note].

16 17. Defendant also executed a notarized affidavit on November 16, 2022, whereby  
17 Defendant solemnly swore and affirmed that he had not incurred any debt or liability that was not  
18 disclosed to AGF through the various documents executed in connection with the AGF Loan and  
19 had not guaranteed or otherwise, directly or indirectly, assumed or accepted responsibility for any  
20 financial obligation of any third party.

21 18. Exhibit C to the AGF Note identified only the South River Loan, the RMSPC Loan,  
22 and a loan from the Bank of Ozarks. Defendant did not disclose any other outstanding  
23 indebtedness for which he was personally liable or otherwise obligated to repay or for which he  
24 had pledged his assets as collateral.

25 19. AGF reasonably relied upon such representations by Defendant in making the AGF  
26 Loan to Defendant.

27 20. Unbeknownst to AGF and prior to the execution of the AGF Loan documents by  
28 Defendant, Defendant was indebted to several additional undisclosed creditors, either directly or  
by guarantees of payment, including, but not limited to:

22. Defendant was aware of the foregoing debts and liabilities at the time he executed the AGF Loan documents as he had personally signed documents relating to such debts and liabilities.

26. Defendant has acknowledged that he is a party to the foregoing proceedings by way of his Statement of Financial Affairs [ECF No. 44] filed in the above-referenced Bankruptcy Case.

**SHEA LARSEN**

1731 Village Center Circle, Suite 150  
Las Vegas, Nevada 89134

1           27. Defendant also made additional material misrepresentations in Section IV of the  
2 AGF Note to induce AGF to provide the AGF Loan, which included, but was not limited to,  
3 another representation regarding there being no pending litigation involving Defendant or the  
4 collateral for the AGF Loan or any other assets of Defendant.

5           28. At Section 13 of the AGF Note, Defendant acknowledged that each and every  
6 representation, warranty, covenant, and agreement set forth in the AGF Note is fundamental and  
7 material to the Agreement and was relied upon by AGF as a material inducement to make the AGF  
8 Loan.

9           29. Defendant made several similar material misrepresentations in entering into the  
10 Security Agreement.

11           30. As set forth in Section IV [Representations and Warranties] (d) of the Security  
12 Agreement, Defendant represented and warranted to AGF as follows:

13           There is no pending proceeding, action, litigation, claim, investigation or  
14 allegation, including, without limitation, any bankruptcy, insolvency, or similar  
15 proceeding, involving Borrower, the Collateral and/or any of Borrower's other  
16 assets, and to the best of Borrower's knowledge, no such proceeding, action,  
17 litigation, claim, investigation or allegation has been threatened against Borrower  
18 or any of the Collateral by any person, entity, or before any court of governmental  
19 authority, agency, or arbitration authority.

20           31. This representation and warranty was materially false at the time it was made by  
21 Defendant, who knew this representation and warranty to be false because, among other things, he  
22 had been personally served with various complaints and other documents relating to the litigation  
23 matters identified above and in Defendant's Statement of Financial Affairs [ECF No. 44] filed in  
24 the above-referenced Bankruptcy Case.

25           32. As set forth in Exhibit C to the Security Agreement, Defendant agreed to grant AGF  
26 a first position lien against Defendant's National Hockey League player contract, among other  
27 things, as part of the Collateral for the AGF Loan.

28           33. As set forth in Section IV [Representations and Warranties] (e) of the Security  
Agreement, Defendant represented and warranted to AGF as follows:

There is no agreement or other document, or other duties, responsibilities, or

obligations, binding on Borrower or that would affect Borrower's rights, assets, or properties (or the Collateral) in a manner that would conflict with or any way prevent the execution, delivery, or carrying out of the terms of this Agreement and the other Loan Documents by Borrower.

34. This representation and warranty was materially false at the time it was made by Defendant, who knew this representation and warranty to be false because, among other things, he had previously granted RMSPC a first position security interest in his National Hockey League player contract as part of the collateral for the RMSPC Loan, which was only partially repaid through the AGF Loan and remained outstanding and secured by, among other things, a first position security interest in Defendant's National Hockey League player contract.

35. As set forth in Section IV [Representations and Warranties] (f) of the Security Agreement, Defendant represented and warranted to AGF as follows:

Borrower owns all rights, title and interest in and to the Collateral, including, but not limited to, the Player Contract, free and clear of any and all liens, claims, judgments, encumbrances and options (except for the liens and security interests created in favor of Lender under this Agreement and the other Loan Documents), and Borrower is entitled to all of the benefits afforded to it in and to the Player Contracts, including but not limited to any and all payments to be made to Borrower thereunder and Borrower further acknowledges that Borrower is hereby granting a perfected security interest in and to payments to be received by Borrower under the Player Contracts in order to satisfy Borrower's payment of Obligations on the terms as set forth in this Agreement.

36. This representation and warranty was materially false at the time it was made by Defendant, who knew this representation and warranty to be false because, among other things, he had previously granted RMSPC a first position security interest in his National Hockey League player contract as part of the collateral for the RMSPC Loan, which was only partially repaid through the AGF Loan and remained outstanding and secured by, among other things, a first position security interest in Defendant's National Hockey League player contract.

37. As set forth in Section IV [Representations and Warranties] (g) of the Security Agreement, Defendant represented and warranted to AGF that "All taxes and assessments of any nature due and payable by Borrower have been paid, and Borrower has filed all tax returns that Borrower is required to file."

38. This representation and warranty was materially false at the time it was made by

1 Defendant, who knew this representation and warranty to be false because, among other things, he  
2 had failed to pay previously accrued taxes due and owing to (i) the Missouri Department of  
3 Revenue as evidenced by Claim 2-1 filed in the Bankruptcy Case, (ii) the New Jersey Division of  
4 Taxation as evidenced by Claim 12-1 filed in the Bankruptcy Case, and (iii) the Massachusetts  
5 Department of Revenue as evidenced by Claim 23-1 filed in the Bankruptcy Case.

6 39. As set forth in Section IV [Representations and Warranties] (n) of the Security  
7 Agreement, Defendant represented and warranted to AGF that “Borrower is not in default of any  
8 material obligation contained in any other instrument or agreement.”

9 40. This representation and warranty was materially false at the time it was made by  
10 Defendant, who knew this representation and warranty to be false because, among other things,  
11 Defendant was in material default of his obligations under the RMSPC Loan and various other  
12 agreements relating to the litigation matters identified above and in Defendant’s Statement of  
13 Financial Affairs [ECF No. 44] filed in the above-referenced Bankruptcy Case, which he failed to  
14 disclose to AGF in requesting and entering into the AGF Loan.

15 41. As set forth in Section VI [Default] 13 [Material Inducement] of the Security  
16 Agreement, Defendant acknowledged that AGF relied upon the representations and warranties  
17 made by Defendant through the Security Agreement and related documents in entering into and  
18 making the AGF Loan to Defendant. Specifically, this section of the Security Agreement states:

19 Each representation, warranty, covenant, and agreement by Borrower set forth in  
20 this Agreement is fundamental and material to this Agreement, and has been  
21 specially negotiated and relied upon by Lender as a material inducement to make  
22 the Loan and consummate the other transactions contemplated by this Agreement  
23 and the other Loan Documents. All such representations, warranties, covenants, and  
24 agreements shall be strictly construed such that anything less than full, complete  
25 and strict truthfulness, accuracy, completeness, and compliance therewith shall be  
26 considered a material breach, notwithstanding any lack of knowledge, control or  
27 culpability on the part of Borrower and without regard to any mitigating factors.  
28 Under no circumstances shall Borrower be entitled to receive any notice of, or  
opportunity to cure, any breach of this Agreement, except as otherwise provided by  
Lender in Lender’s sole discretion, it being understood that the occurrence of such  
breach shall constitute an immediate Event of Default under this Agreement.

42. AGF relied upon Defendant’s representations and warranties as set forth in the  
Security Agreement and would not have made the AGF loan to Defendant had it known that such

1 representations and warranties were false.

2 **C. Defendant Files for Bankruptcy**

3 43. Approximately three weeks after obtaining the AGF Loan and making the  
4 foregoing material misrepresentations to AGF, Defendant engaged bankruptcy counsel and began  
5 preparing to file his voluntary chapter 7 bankruptcy petition.

6 44. Approximately six weeks after obtaining the AGF Loan and making the foregoing  
7 material misrepresentations to AGF, Defendant filed his voluntary chapter 7 bankruptcy petition  
8 on December 30, 2022 thereby initiating the Bankruptcy Case.

9 45. As of the filing of the Bankruptcy Case, Defendant owed \$4,679,259 in principal  
10 to AGF, exclusive of interest, costs, fees, and other amounts due in connection with the AGF Loan.

11 **FIRST CAUSE OF ACTION**

12 **(Exception to Discharge for Imputations of Actual Fraud – 11 U.S.C. § 523(a)(2)(A))**

13 46. AGF incorporates by reference all other paragraphs of this Complaint as if fully set  
14 forth herein.

15 47. Under section 523(a)(2)(A), an individual debtor is not discharged from any debt  
16 “for money, property, services, or an extension, renewal, or refinancing of credit, to the extent  
17 obtained by ... false pretenses, a false representation, or actual fraud, other than a statement  
18 respecting the debtor’s or insider’s financial condition.”

19 48. As described in detail above, Defendant solicited and received significant sums of  
20 money from AGF through the AGF Loan by making materially false and misleading  
21 representations regarding outstanding lawsuits and judgments against Defendant, Defendant’s  
22 assets, Defendant’s performance of obligations owed to other parties, and Defendant’s intent and  
23 ability to repay the AGF Loan.

24 49. The above representations were false when made by Defendant, who knew such  
25 representations to be false when made.

26 50. Defendant, through false pretenses and fraud, acted to induce AGF to enter into the  
27 AGF Loan where Defendant had no intention or reasonable expectation of repaying the AGF Loan

**SHEA LARSEN**

1 and, in fact, knew that he would be unable to repay the AGF Loan due to the various preexisting  
2 debts and claims against him that he failed to disclose to AGF.

3 51. In the absence of Defendant's false pretenses, false representations, and actual  
4 fraud, AGF would not have entered into the AGF Loan transaction described above.

5 52. At the time AGF entered into the above-referenced transactions, AGF did not know  
6 that the foregoing representations by Defendant were false.

7 53. AGF's reliance on Defendant's false representations was justified and reasonable.

8 54. AGF has sustained damages as a result of Defendant's false pretenses, fraud, and  
9 misrepresentations in an amount to be proven at trial.

10 55. Based on the fraudulent actions of Defendant, punitive damages are appropriate to  
11 the maximum amount allowed under applicable laws.

12 56. AGF is entitled to a judgment against Defendant stating that all amounts owed to  
13 AGF by Defendant be excepted from discharge under 11 U.S.C. § 523(a)(2)(A).

14 57. As a result of Defendant's foregoing actions, AGF has been required to engage the  
15 services of an attorney to bring this claim and is entitled to recover its reasonable costs, attorneys'  
16 fees, and interest.

17 **SECOND CAUSE OF ACTION**

18 **(Exception to Discharge – 11 U.S.C. § 523(a)(2)(B))**

19 58. AGF incorporates by reference all other paragraphs of this Complaint as if fully set  
20 forth herein.

21 59. As described in detail above, Defendant solicited and received significant sums of  
22 money from AGF through the AGF Loan by making false and misleading written statements to  
23 AGF upon which AGF reasonably relied in making the AGF Loan to Defendant.

24 60. As described in detail above, such materially false and misleading written  
25 statements related to, among other things, outstanding liabilities owed by Defendant, claims  
26 asserted and judgments entered against Defendant, the property pledged by Defendant as collateral  
27

1 for the AGF Loan, Defendant's performance of obligations owed to other parties, and Defendant's  
2 intent and ability to repay the AGF Loan.

3 61. Defendant made such materially false and misleading written statements to AGF  
4 with the intent to deceive AGF and to induce AGF to extend credit to Defendant through the AGF  
5 Loan.

6 62. At the time Defendant made such materially false and misleading written  
7 statements, Defendant had no intention or reasonable expectation of repaying the AGF Loan or  
8 otherwise honoring his obligations associated with the AGF Loan.

9 63. Defendant's acts and omissions resulted in serious and material harm to AGF and  
10 AGF has suffered damages in an amount to be proven at trial.

11 64. AGF is entitled to a judgment against Defendant stating that all amounts owed to  
12 AGF by Defendant be excepted from discharge under 11 U.S.C. § 523(a)(2)(B).

13 65. Based on the fraudulent actions of Defendant, punitive damages are appropriate to  
14 the maximum amount allowed under applicable laws.

15 66. As a result of Defendant's foregoing actions, AGF has been required to engage the  
16 services of an attorney to bring this claim and is entitled to recover its reasonable costs, attorneys'  
17 fees, and interest.

18 **THIRD CAUSE OF ACTION**

19 **(Exception to Discharge for Willful and Malicious Injury – 11 U.S.C. § 523(a)(6))**

20 67. AGF incorporates by reference all other paragraphs of this Complaint as if fully set  
21 forth herein.

22 68. Defendant caused willful and malicious injury to AGF by, *inter alia*: (a) making  
23 false representations and statements to AGF with the malicious intention of holding AGF  
24 responsible for Defendant's debts and (b) obtaining the AGF Loan from AGF by misrepresentation  
25 without any intent to honor his obligations thereunder.

26 69. As a result of Defendant's fraudulent, malicious, or otherwise improper conduct,
